**Daniels New Super Hero Software Tackles
Your Customer Concerns - Fast! Easy!
Only \$95 a Month (see details on reverse)**

Every business needs a super hero and you're going to cheer for Daniels new **NETaction™ Customer Satisfaction Manager**. This new software system makes managing your customer concerns simple, efficient and cost effective.

Look how Daniels

NETaction™ Customer Satisfaction Manager

will tackle you customer concerns:

Daniels new system creates a personalized web-site for you customer of building. With a seamless connection and a few strokes on the keyboard, the customer enters his or her concern. The concern is immediately logged by Daniels **NETaction™ Customer Satisfaction Manager** and sent for follow-up. E-mails can be sent to the appropriate supervisor for immediate action.

NETaction™ Customer Satisfaction Manager reduces phone calls, and wasted time trading voicemail.

NETaction™ Customer Satisfaction Manager

- Personalized web site with YOUR company logo and advertising
- Low monthly web site maintenance
- Quick, fast and accurate response time
- System will follow up in 24 hours if action is not taken
- Customers love it—easy to use
- A small monthly subscription provides an inexpensive new customer satisfaction tool!

Call for our super hero today!
